STEPFAMILY LIVING If you are in a second marriage and have a blended family, you will want to reserve Friday evening and Saturday, **August 12th & 13th** to come to Hosanna! We are bringing in a national speaker, Ron Deal, (*he’s like the Dr. Phil for blended families*). Ron is a faith-based author, therapist, speaker and stepfamily expert. His mission is to empower remarried couples and stepfamilies for successful family living. Ron has practical tips and suggestions for bridge building in your family. He talks about building your home with purpose, learning to roll with change, enduring disharmony, how to handle the “blame game” and stepfamily vacations. Check out “smartfamilies.com” to learn more about Ron and his ministry. We strongly encourage you to take advantage of this rare opportunity. Invite your friends and family and invest in your marriage and step family! You’ll be so glad that you did!

Prayers of safety, peace, and the Good News going outside of church building through the mouths and bodies of the children. We also ask for your support in a couple of our on going service projects for the week:

1. We will be placing decorated grocery bags in the Gathering Area (just outside the Worship center) in honor of both the Echo Food shelf and the Humane Society. Please help us in filling the bags with items to either or both organizations. If you want a more specific donation list for the Humane Society call Lynn at the church. May our bags overfloweth!
2. "Pennies for Harvest": Each child is saving and bringing in at least 100 pennies. At the end of the week they will doing different activities with the pennies and then all pennies collected will be donated to Kids Against Hunger. If you have any loose change weighing down your pocket or purse help us fill our container and drop the money in. That container will also be located in the Gathering Area.

Thanks for all your support for Children's ministry. God is pruning a lot of kids through Hosanna and we as a staff are proud to be a part of that.
