### I. CARE-GIVING MINISTRIES

**Stephen Ministry:** What kind of woman would receive the care of a Stephen Minister?

A woman like Sarah who faced a major change in life at an advanced age and needed someone to listen to both her joy and apprehension. A woman like Hagar who was abandoned along with her child and needed someone to offer her hope and remind her of God's presence. A woman like Esther who was faced with a major decision and needed someone who could listen to her concerns and offer encouragement. A woman like Martha who was burdened by the demands of daily life and needed someone to help her regain sight of what was most important. A woman like you. Stephen Ministry is here for such a time as these.
